

**Please feel free to contact us before filling in the questionnaire!**

Name:

Date of Birth:

Email:

Phone:

Postal address:

1. How did you hear about Horizon Cohousing?
2. What is it about cohousing that attracts you?
3. How extensive is your knowledge of cohousing? (i.e. books/magazine articles, courses, knowing friends in a cohousing scheme, visiting a cohousing scheme etc.)
4. Ideally, when would you like to move into a cohousing scheme? In 2-3 years, 3-5 years, 5 years + etc. Please say how flexible you are on this.
5. Would you prefer to live in a more rural or urban location? (Our group is keen to live somewhere close to local amenities like shops, public transport and a GP. This suggests an urban location, though we might also consider a more rural site provided it was well connected to these kinds of services.)
6. What do you like to do in your free time?

7. Are you a member or supporter of any organisations or community groups?

8. What work do you do currently (paid or voluntary) or have done prior to retirement?

9. The homes we hope to build are more likely to be apartments rather than houses, although that will depend on the plot available. We don't currently know what the exact price of them will be, but predict the smallest and cheapest will be around £270-£300k for a 50 square metre one bedroom apartment. What size home do you require, and what would be the maximum you could afford?

10. Do you have any skills or qualifications that might help the group (for example expertise in construction, energy conservation, finance, social housing, procurement, property development, gardening, care needs of older people, grant funding, IT etc)?

11. If you do not already live in Gloucestershire, could you tell us what attracts you to moving here?
